If you are unable to clearly understand and adapt the information below, professional installation is recommended.

WHAT'S INCLUDED

1x PEAK LED BULB
(STYLE MAY VARY)

LATEX GLOVES

RECOMMENDED PROTECTION:

BULB INSTALLATION

The Peak LED bulbs are designed to simply replace a stock incandescent bulb of the same or a cross-compatible size only. Installation of the Peak LED bulb is reverse of removing the stock bulb, ensuring the new bulb is fully seated / installed. If the bulb does not illuminate once tested in the stock location, it may need to be rotated 180-degrees to match the stock pin orientation.
